## What is Prayer Ministry?

Prayer ministry is about offering prayer to anyone in need of a touch from God about a particular issue in their lives. A time for ministry can take place before or after a church service or worship meeting, with those who have received the training equipped to minister individually or as a pair to anyone who has requested prayer. Anybody can do prayer ministry.

**The main aims of the day** - are to empower us through the Holy Spirit to pray effectively for others, to equip those who would like to set up a prayer ministry group in their church, and to strengthen and refresh any prayer ministry training that has already been received.

*David and his wife Irene*
