The World's Biggest Coffee Morning is Macmillan's biggest fundraising event for people facing cancer. Last year alone the charity raised over £27 million and together we can make this another successful year. Cancer has or will affect some of us or someone close to us and the money raised at a Coffee Morning will help Macmillan make sure no one has to face it alone.

Karen and her friend Dee Gulliford are hosting a coffee morning for this amazing charity on Friday 28th September, from 9am to 11am. Please support them by coming along for a cuppa and a slice of something nice. Bring a friend or two – we would love to see you!

If anyone is able to help please see Karen – your help will be greatly appreciated!
