### Repair Café

Every day tons of broken goods go to landfill, but much of it could be repaired and have a much longer life. There are three Repair Cafes in Bath on different Saturday mornings. In the first year in just two centres they saved 140 items from going to landfill!

We think it would be great to start a Repair Café in Peasedown one Saturday per month., but for that to happen we need three things – people who have the skill to repair items, people to handle the admin and people who would be willing to supply coffee and cake and serve it. The Bath Repair Café would be willing to provide some of the expertise, but we do need local people to do the rest of the work. Do you think you could help? If so please contact Rev Ian Souter on 01761 433251 or email [souterfam@aol.com](mailto:souterfam@aol.com).

### Did you know?

That the notices are also available on the Church website, but if anyone would like a copy emailed to them then please see Nick or email [nmartinpsj@gmail.com](mailto:nmartinpsj@gmail.com). If you would prefer either of these versions then we'll have less to print, which will help the environment!

## World Day of Prayer 2019 - Friday 1st March, 2:30pm

### Theme: Come – Everything is Ready!

World Day of Prayer is an international, inter-church organisation which enables us to hear the thoughts of women from all parts of the world: their hopes, concerns and prayers. Women of Slovenia, one of the smallest and youngest countries in Europe, have prepared this year's service and they encourage us to reflect on the barriers they have faced since the end of the Second World War when their country was a part of Yugoslavia, a Marxist socialist republic. They share the challenges they have met and the hopes they have for the future. Everyone is welcome - men, women and children of all ages to join this World Day of Prayer.

For further information please visit the WDP website: [www.wwdp.org.uk](http://www.wwdp.org.uk).
