Prayer Tree

Our new prayer tree is ready to use in the front entrance!!

There are luggage tags and pens at the bottom of the tree for people to write/draw their prayers and add it to a branch. As a church family, we encourage you to get involved, but to also take a few minutes over the next month to read the prayers that have been added and pray for those too!

We will be using the prayer tree for Messy Church on 14th June so it will be around until then - or who knows, we might keep it going if it's used lots over the next four weeks!

Green Tip of the Week

Spend some time in the garden or local park and really have a look at how many different species of animals you see. You may be surprised - Friends of the Earth say there are 270 different species of bees in Britain. Take a look and enjoy the sheer variety in God's world.
