Eco-Church

We have registered for the Eco-Church programme which involves looking at how the Church relates to environmental issues across its life. There are five areas: Worship and Teaching, Buildings, Land, Community and Global, and Lifestyle.

Over the next 18 months we hope to start a number of new initiatives to support our existing work in this area and help us become better stewards of this wonderful world that God has created and leave it in a better state for generations to come.

Green Tip of the Week

Many of us have cars and take the convenience they provide for granted, but many of us also live within walking distance of Church, but rarely come on foot. If you can, then try to walk to Church every once in while or more often if you can?

All Age Worship with Holy Communion

Led by Rev David Winstanley

We offer you a warm welcome to worship. If you are new to the Church or visiting please feel free to join us for a cup of tea or coffee after the Service.

If you would like prayer after the Service then our prayer team will be seated in the left front corner.

Operation Christmas Child Shoeboxes

A simple shoebox gift packed with love and fuelled by prayer can have a huge impact! We are supporting the Samaritan's Purse Operation Christmas Child Shoebox appeal again this year - Simply fill a shoebox with gifts for a child at Christmas and Samaritan's Purse will deliver it to a child who would otherwise not receive any gifts, in Eastern Europe and other poverty-stricken areas of the world. Please see Karen for a shoebox and an information leaflet telling you what can be put in your shoebox.

Dorothy House Sale - Thank You!

Karen would like to say a huge thank you to all those people who helped and donated for the recent sale. So far over £300 has been raised for the Dorothy House Hospice and the work they do. For further information about the work of Dorothy House and their amazing work which touches the lives of so many, please visit <https://www.dorothyhouse.org.uk>.

Sunday Morning Creche

It is wonderful that we are blessed with very tiny tots in our church family and so it seems an apt time to rekindle the creche facilities. We have the room and the toys etc, but it can only run with adult supervision and two people per session would be ideal. A rota is ready for you to add your name to on the cupboard in the Sunday School - the more names the less often people have to do a duty!

Messy Church

Our monthly Messy Church kicked off on Friday 13th September with activities and the story of the Feeding of the 5,000. Around 40 children and parents came along to join in. Messy Church runs on the second Friday of the month, between 3:30pm - 5:00pm, and it's completely free!

The next dates are:

Friday 11th October
Friday 8th November
Friday 13th December

The current treasurer intends to stand down from the role next year after 12 years in post. The Assistant Treasurer would shadow her for a year with a view to take over the management of the festival's finances fully in 12 months' time.

This is a voluntary role. For further details contact Party in the Park Chairman Nathan Hartley by emailing: nathan.hartley@peasedownpartyinthepark.org.uk

Wow, what a tall Sunflower!

This amazing sunflower was grown in Peasedown and started life as a seed that was planted by one of the toddlers at Seeds.

We never know what will come from the seeds that we sow amongst the children and young people that come into our buildings, but we pray that God will work in all their lives.

Wednesday 16th October
