Recycling at Church

Just a reminder that we have a mini-recycling centre in the lobby for items that might normally be thrown away, but which can be recycled for charities. There are drawers for used **ink cartridges** for Macmillan Cancer Care, **spectacles** for Vision Aid, **postcards** for Missionary Aviation Fellowship and **stamps** for whatever charity we can find. Also we would like to pass on your used **mobile phones** to Oxfam. However, we do not pay business rates, so our everyday recycling is not collected (**plastic, glass, cans, cardboard, etc**). Therefore, can **EVERY** group using the premises please take their recycling away with them.

Green Tip of the Week

Have you bought something from a supermarket recently which used unnecessary plastic packaging? If so why not write a letter asking them to change? There are template letters available for download from the Church website. Please will you take action to preserve our Father's amazing creation.
