Repair Café - Saturday 23rd November, 10am - 1pm

The October Repair Café was a bit quieter because of the rugby and the appalling weather, but we had 19 items brought in. Eleven were repaired on the day, two have since been completed, two needed a part and only four were beyond repair. We've now had 88 items brought in, just over 50 of which have been successfully repaired. If you are able to help out with refreshments, admin or as a repairer, then please see Ian Souter.

Note that there will be no Repair Café in Peasedown in December.

Green Tip of the Week

Yet again it's election time! You might not get an answer in time, but why not ask candidates what they will do to save the environment and after the election send a letter to the MP (Address House of Commons, Westminster, London SW1A 0AA).
