Christian Aid Week – Sunday 15th to Saturday 21st May

This year we will have cash donation envelopes in the church, as well as information slips about how to donate directly online and to add gift aid if you can. There will also be donation boxes in the Hive and the Meeting Place. We will also be asking people to distribute envelopes to their streets if they can. They would just need to post the envelopes, and then the Meeting Place and the Hive Community Centre would be 'drop-off-points' for the envelopes. If you can distribute envelopes to your street or beyond, then please let Katie Chun know.

Nominations for Church Council

Nominations are now being taken for members of the Church Council. If you are interested in becoming more involved in decisions made regarding our Church then please see Linda Day who is holding the nomination paper. There are 15 vacancies. Anyone interested needs a nominator and seconder.

General Church Meeting – Sunday 22nd May

The General Church Meeting will be held during the service on Sunday 22nd May at 10.30am, which will include the election of Church Council members. Linda Day has the nominations sheet for Church Council members (see above) – please think and pray about whether this is something you or someone you know could be a part of.

HomeKit

HomeKit is a scheme run by Bath Share and Repair to provide electrical items to people in BANES who are in need for example, because of coming out of homelessness and setting up home or because of the economic situation. The idea is that small household electrical items, in reasonable condition, are donated by people who no longer need them. These are then checked for safety and generally refurbished by the repair team at Share and Repair, before being made available via care agencies in the area to people who can use them but can't afford them. To discover more please visit <https://shareandrepair.org.uk/homekit/>

HomeKit have got plenty of kettles and toasters but are particularly looking for vacuum cleaners, handheld food blenders, toastie makers, digital radios or radio/CD players, flat screen TVs, lamps and slow cookers. If you have a spare item which has some life left in it and that you would feel able to give to this cause, then please can you contact Ian Souter via email souterfam@aol.com or 01761 433251.

Several of our church family have been going to this for many years, camping as a group, and it would be great to have others coming along this year! It's a relaxed week where you can join in with as little or as much as you would like. There is plenty of impactful teaching, worship, Holy Spirit ministry and there will be programmes for all ages with New Wine Kids groups. If you would like to find out more, then please chat to either Clare or Lucy, or visit the New Wine website <https://www.new-wine.org/events/united22/>

GREEN TIPS	Week Commencing Sunday 1st May It's been in the news this week...electrical devices that use power when plugged in but not in use. Switching things off at the wall so they don't use power can help the environment AND save you money!
	Week Commencing Sunday 8th May Grow your own veggies at home – You don't need a huge garden, even a small area or tub can be used. Growing at home can be fun and now is the perfect time to plant a few seeds and watch them grow!
