Strictly Worship – Saturday 10th July, 7pm

Strictly Worship is back again on Saturday 10th July at 7pm! The band will be leading worship with reflective and prayerful moments. We hope to stream online for those unable to come along.

Monday Evening House Group – Monday Evenings, 7:30pm

Just a reminder that the Monday Evening House Group are continuing to meet at 7:30pm via Zoom. Please speak to either Karen or Clare for further information.

Wednesday Prayer

We have decided that the time is right to conclude our weekly time for quiet prayer and reflection for the time being, however, we hope to resume other prayer ministry activities shortly.

Thursday Bible Study – Starting Thursday 22nd July, 2pm

We are still hoping to restart the Thursday afternoon Bible Study Group on Thursday 22nd July, but this will depend on whether the Government eases the restrictions. Please watch the notices for confirmation of the re-launch.

Church Car Park – Saturday 3rd July to Sunday 11th July

Please be aware that Tesco staff will be using the church car park from Saturday 3rd July until Sunday 11th July. This is when the pop-up shop is running as the spaces in their car park will be reduced. They will not use the car park during our Sunday services, Seeds, Lighthouse and for the Yard Sale. Outside of these times it would be appreciated if we can park elsewhere, so that Tesco staff can come and go easily. Thank you for your help.

Village Yard Trail – Saturday 10th July, 12pm – 4pm

We will be having a stall in the church car park as part of the Village Yard Trail and we need your donations of items you are happy to sell to raise money for the church. Items can be brought to the church on Friday 9th July between 12pm – 2pm. If that's not convenient, then please speak to Caroline or Linda to arrange a collection. In case of bad weather, it would be great to have a gazebo – if anybody has one they are happy to lend us, then please let Caroline know.

Flower Tubs – Thank you, Derek!

The flower tubs outside the front of the church are looking fabulous – a big thank you to Derek for his hard work, we really appreciate them.

Green Tip of the Week

Most of us have a collection of phones and electronic gadgets in our homes these days, which regularly need to be charged. To conserve energy, please remember to unplug your charger when your phone, laptop, tablet or gadget is fully charged.
