Back to Church

Starting from Sunday 4th October we will be able to worship together again. The numbers who can attend need to be restricted at the moment due to Government guidance, however, it is amazing that we can be worshipping and praising God together after all this time. If you would like to attend a service, then please discuss this with one of the stewards in advance.

Psalm Walks

This week we begin a new way of worshipping and it is for all ages. It's called **"We're going on a Psalm Walk."** It allows you to spend time alone with God or to share it with friends and family – remember to keep within covid restrictions.

Psalm walks will be produced for the 1st & 3rd Sundays in the month. During the week, please send Julie any of your thoughts, reflections, pictures, videos clips from your Psalm Walk and she will put them together to create some sort of response/feedback for the Sunday morning service on the 2nd & 4th Sundays.

You can go on your Psalm walk anywhere (even in your own garden) and at any time during the week, but if you are doing the Psalm Walk with children then why not join Julie for a Psalm Walk in the church garden on the 1st & 3rd Sunday of the month between 9.30am and 10.00am.

First two sheets are available to download now from the Church Website. There is one for adults and a simplified version for children, but they both use the same Psalm and follow similar themes and ideas (you can tell which is the children's one because it has a picture of some children in the top right corner). This is a great way to worship outdoors and we hope many people of all ages will get involved and be blessed through it.

Seeds "Grab and Go Bag" – Wednesday mornings, 9am – 9:45am

Our Seeds Parent and Toddler Group is not yet permitted to meet in the church building, so as a way of making ourselves available to our Seeds families, Marilyn and Julie are going to be in the Church car park on Wednesday mornings to say hello to our families and give out a "Grab and Go Bag" which contains an activity to do at home.

Lighthouse is back!

After a 6-month break Lighthouse restarted on Thursday evening and we welcomed ten children, who were very excited to be back! They were brilliant at following the social distancing and hygiene regulations we had put in place and we all had a good time. We are continuing to restrict numbers attending Lighthouse by only inviting those in Years 4, 5 and 6 who have previously attended.

Recycling & Repair Café – Saturday 24th October

Government guidance permitting, we will have Repair Café and Terracycle collection on Saturday 24th October. Please start collecting any used pens and felt-tips, crisp packets, biscuit packets, oral products such as toothpaste tubes, bread bags and sweet wrappers (Please make sure the wrappers are empty of crumbs etc). We are also able to accept printer ink cartridges and unwanted spectacles. The Repair Café will follow the same process as September with items being dropped off in the morning and collected in the early afternoon.
