Hill House Weekend – Friday 8th July to Sunday 10th July

After a longer break than normal due to Covid, we're going to be able to join together for a weekend away this summer at the Hill House retreat, near Bridgwater. The weekend is a time to come together as a church family for reflection, prayer, worship and study, not forgetting food and fun. This year the weekend will be led by Rev Philip Turner, who has preached for us on a number of occasions and is part of the Chaplaincy team at the RUH in Bath.

Niki de Silva will be giving more details at the start of morning worship over the next few weeks, but if you want a taste of what goes on (or a trip down memory lane), then why not watch this YouTube video from way back in 2011: <https://www.youtube.com/watch?v=unimDkDEzfY>

For more further information about the venue, then please visit <https://hillhouse.org.uk/>

Big Bath Sleepout for Julian House – Friday 4th March

Just a reminder that Julian House will be hosting their annual Big Bath Sleepout on Friday 4th March. The aim is to help raise vital funds and awareness for people forced to sleep-out every night. This year there will be the option to join the Julian House team and hundreds of other people at Alice Park in Bath for the night or to sleep out at home in your garden, balcony or kitchen floor.

For further details and to register, please visit <http://www.bigbathsleepout.co.uk/>

Repair Café – Saturday 26th February, 10am – 1pm

Items can be dropped off throughout the morning and refreshments will be available while you wait for the repairers to fix them!

Terracycle Collection – Thursday 24th & Saturday 26th February, 10am – 11.30am

We are able to take all these things for recycling: **Crisp and snack packets, pens and felt-tips, inkjet cartridges, oral health products, pet food pouches, bread bags, biscuit and cake wrappers, sweet wrappers and spectacles.** We are also able to accept **blister-packs from medicines** which will go to Superdrug for recycling.

Green Tip of the Week – Ditch the Disposables

There's been lots of talk about reducing our usage of single-use disposable items, but we're all probably using them out of habit, out of convenience or without thinking about it.

If you can, try to reduce or stop using things like plastic straws, plastic drinks bottles, coffee cups, coffee pods, disposable snack bags, plastic shopping bags, etc.

Sadly, the list is endless, but there are alternatives. Paper straws, reusable drinks bottles, reusable coffee cups, instant coffee, sandwich boxes, fabric shopping bags, etc!
