New Church Roof

As you will have noticed the work on replacing the roof has started. We are really pleased that we now have the necessary funds to pay for the work, and pleased also that the roofing company have been able to schedule this work during a very busy time for them. We hope that you will not be too inconvenienced by the limited parking, but it should not be for too long.

Christmas Collections

Thanks to your generosity over Christmas, we have been able to give **£402.20 to Julian House** and **£284.60 to Action for Children**. Please pray for their ongoing work and those they help and support.

House Groups and Bible Study

We have several house group and bible studies running throughout the week and we would be pleased to welcome new people to any of these. If you are interested, then please speak to a steward.

Sunday Tea & Coffee

We offer refreshments after every Sunday morning service, which is an important time to catch up with friends and reflect on things. We often struggle for people to help, so if you are able to please put your name on the rota on the notice board in the coffee bar.

Cafe BANES Meeting at St John's RC Church in Bath – Monday 16th January, 7:30pm

Christian Action for the Environment in BANES, a group of Christians from across the area who are interested in creation care, will have its next meeting on Monday 16th January at 7.30pm at St John's Roman Catholic Church in Bath. Everyone is welcome to come along and be part of Christians making an impact on this part of our planet.

Our Church – An EcoChurch

We have been working to obtain the Bronze EcoChurch award and are really close but we need to take one or two actions to get there. The group working on this has lost one or two members and we are looking for people who would be willing to join us and help us move forward to obtain the Bronze award and then, hopefully, the Silver. If you would be interested, then please contact Ian Souter (01761 433251). Please pray for this part of our mission as a church.

Terracycle Collections & Repair Café – Next Dates

The next Terracycle collections will be held on Thursday 26th & Saturday 28th January, from 10.00am to 11.30 am. The next Repair Café will be held on Saturday 28th January from 10.00am to 1pm.

GREEN TIPS

Week Commencing Sunday 8th January

Why not learn a new skill in 2023 which could help you fix things rather than throwing them away? There are lots of videos on YouTube that provide tutorials on everything from sewing up holes in your clothes to upcycling old furniture. It would also help reduce your waste and maybe even save you some money.

Week Commencing Sunday 15th January

Why buy when you can borrow? Bath Share & Repair have a “Bath Library of Things” where, for a small charge, you can borrow the things you need from our library of over 400 items. For more information, visit <https://shareandrepair.org.uk/library-of-things/>
