Our next Messy Church is on Friday 14th July at 3.45pm and will be held at Eckweek Lane Play Area. We will be exploring the story of creation through lots of outdoor activities. Messy Church is aimed at (although not exclusive to) families with school aged children. Please let Julie know if you would like to come along, as it is helpful to have an idea of numbers when preparing the activities.

Strictly Worship – Saturday 15th July, 7pm

Our regular Strictly Worship event returns, two weeks later than usual, in July. If you haven't been before then we would love to join us for this evening of contemporary worship and praise.

Church Family Barbeque – Sunday 30th July, 12pm - 2pm

We will be holding a Church Family Barbeque following the morning service on Sunday 30th July. Please sign up on the list on the noticeboard in the dining room. There is also a list of side dishes if you wish to bring something.

Sunday Notices

We are keen to reduce the number of spoken notices on a Sunday morning, in order to allow the pre-service worship to flow into the service. If you do have anything that needs to be announced then please ensure that the details are written down and handed to the steward for consideration beforehand.

Gift Aid

Gift Aid allows us to claim an extra 25p for every £1 donation given by a tax payer, and it will cost you nothing. If you are a tax payer and would like to gift aid your collection or you are registered for gift aid and there has been a change in your personal circumstances that might affect your tax status, then could you please contact Marilyn.

Green Prayer from A Rocha UK

Please pray for those around the world affected by climate change in their daily lives. Pray for Christian organisations around the world like A Rocha UK who are seeking to pursue climate justice and make their voices heard by those in power, particularly in countries where people are unable to speak up or are persecuted for their opinions and faiths.

Green Tip

Before you go out and about this summer why not download one of the many apps that allows you to locate one of the thousands of free water refill stations, then you'll never need to buy a bottle of water again!
