COVID Update – Face Coverings

Face coverings are now mandatory for most indoor public venues including places of worship, so **please ensure you wear one at all times in the church building.**

It is also sensible for us to keep the building well ventilated so wrap up warm when you're coming along to any service/meeting etc!

If you are able to, doing a lateral flow test before services is also recommended.

Christmas Light Trail – Friday 17th & Saturday 18th December, 4:30pm – 8:30pm

The theme for our church display this year will be "Angels". The band will be playing in the church car park on both evenings and we are going to bless the community by giving out little knitted angels to people who are visiting the light trail on the Friday evening. Each angel will have a printed message of blessing attached to them.

Carol Service Refreshments – 19th December

We will be offering refreshments after the Carol Service on Sunday 19th December (table service). Offers of mince pies will be gratefully received, please let one of the stewards know if you can bring some. Also, we need around 4 or 5 volunteers to help serve refreshments, again please let one of the stewards know if you can help.

Crib & Christingle Service, Christmas Eve, 4:30pm

Everyone is welcome and this service will be particularly suitable for children. Join us as we tell the Nativity story together.
