Peasedown Christmas Light Trail 2021 – Friday 17th & Saturday 18th December

This year's Light Trail is on Friday 17th & Saturday 18th December and the theme for our church display will be "Angels". As well as our Christmas lights we are going to bless the community by giving out little knitted angels to people who are visiting the Light Trail. Each angel will have a printed message of blessing attached to them. Julie has patterns for the angels so if you are able to help by knitting angels please ask for a pattern or follow this link <http://www.christmasangel.net/wp-content/uploads/2014/09/Christmas-Angel.pdf>

The more angels we have, the more blessings we can give out. Also, if anyone has any ideas or can help with creating our Angel Light Display, then please speak to Julie. Thank you.

Julian House Christmas Appeal

Julian House is a charity that supports vulnerable and at-risk individuals. These include adults and young people experiencing homelessness, escaping domestic abuse, adults with learning difficulties and people who need support after leaving prison. Over 1,800 vulnerable individuals are supported each year.

As in previous years, during the advent period, we will be collecting the following items for Julian House. There will be a collecting area in the church foyer, please give generously.

Toiletries, Underwear, Blankets (no duvets), Cereals, Tea, Coffee, Sugar, Biscuits

Tools for Refurbishment

"Tools for Self Reliance" is a charity who support poverty reduction in Africa by working with partner organisations to empower people to build sustainable livelihoods through the provision of tools, and training. We have been given some hand-tools for the charity, but some of them could do with a bit of work – rubbing down handles, sanding off rust, oiling etc. If anyone is interested in helping out, either at home or together, then please let Ian Souter know.

Bible Study – Thursday 18th November – CANCELLED

Apologies to the Thursday Bible Study Group but we have cancelled the session on 18th November. Ian will be in touch about the re-arranged date.

Green Tip of the Week

Christmas is getting closer and some of you may be looking forward to opening an Advent calendar. Rather than going for a traditional version, why not try a sustainable version that can be refilled and reused each year, or perhaps even make your own? For those of you needing your daily chocolate fix, there are a good range of fairly traded chocolate Advent calendars to choose from that help support growers and producers around the world.

CAFÉ BANES – Monday 29th November, 7:30pm

The next CAFE BANES meeting will be held at St Andrew's Church, Bath on Monday 29th November, at 7:30pm. This meeting will include insights on COP26 from Rev Kevin Durrant (Keynsham Baptist Church) who has been in Glasgow. The full address is St Andrew's Church, Hawthorn Grove, BA2 5QA.

This effort to encourage people to walk or cycle for short distances in the village needs your support - please sign up on the sheet on the free-standing noticeboard.
