## Christian Aid Week – Sunday 15<sup>th</sup> to Saturday 21<sup>st</sup> May

This week at church there will be leaflets in the foyer letting you know how to donate online for Christian Aid, with the option for Gift Aid. There are now donation boxes at the Hive and the Meeting Place! We are asking people to collect some envelopes and post them through their neighbour's doors or a little further afield. You won't need to collect the envelopes or ask for money, as the envelopes will have instructions to pop them back to the Meeting Place or the Hive! So far we have no volunteers, so please help if you can.

## General Church Meeting – Sunday 22<sup>nd</sup> May

The General Church Meeting will be held during this service and will include election of Church Council members.

## Hill House Weekend – Friday 8<sup>th</sup> July to Sunday 10<sup>th</sup> July

There are still places available for Hill House Weekend and it would be lovely to have as many of our church family there as possible. It is a chance to talk together, relax by the pool, eat great food, discover more about faith and worship together as a family. We share the cooking and washing up, there are special activities for the children and we have a BBQ around the campfire. All ages are welcome and we do not charge for anyone in full time education. There is a choice of accommodation, which includes full board for the whole weekend:

- **En-suite room in the annex, £87 per person**
- **Room with shared bathroom in the main house, £72 per person**

You can pay by instalments, but we would not want the cost to stop anyone from coming so please see Niki to ask about help with this. For more information, please speak to Niki de Silva or Julie Winstanley.

## HomeKit

HomeKit is a scheme run by Bath Share and Repair to provide electrical items to people in BANES who are in need for example, because of coming out of homelessness and setting up home or because of the economic situation. The idea is that small household electrical items, in reasonable condition, are donated by people who no longer need them. These are then checked for safety and generally refurbished by the repair team at Share and Repair, before being made available via care agencies in the area to people who can use them but can't afford them.

To discover more please visit <https://shareandrepair.org.uk/homekit/>

HomeKit have got plenty of kettles and toasters but are particularly looking for vacuum cleaners, handheld food blenders, toastie makers, digital radios or radio/CD players, flat screen TVs, lamps and slow cookers. If you have a spare item which has some life left in it and that you would feel able to give to this cause, then please can you contact Ian Souter via email [souterfam@aol.com](mailto:souterfam@aol.com) or 01761 433251.

<b>GREEN TIPS</b>	<b>Week Commencing Sunday 15<sup>th</sup> May</b> Still using cling film to wrap your sandwiches or cover food? How about using an alternative such as beeswax food wraps? They may cost a bit more initially, but they're reusable and biodegradable.
	<b>Week Commencing Sunday 22<sup>nd</sup> May</b> Many of us have started the regular job of cutting the lawn but why not save a bit of time and help the environment by leaving part of your garden to grow wild to help bees and other insects thrive.

### Big Bath Sleepout for Julian House – Thank You

Sarah, Shaun and Rosemary are so thankful and amazed at people's generosity in supporting them to sleep out in Alice Park in aid of Julian House. In total the three of them raised **£645.00**. We have been blessed once again and know the money will be well and appropriately used, supporting those who are vulnerable.

### Jubilee Big Lunch at The Hive – Sunday 5<sup>th</sup> June, 12.30pm – 3:00pm
