Sunday 15th August

10:30am Morning Worship
led by Monday House Group
& The Harbour (Junior Church)

Sunday 22nd August

10:30am Morning Worship
led by Steve Beck

Easing of Covid Restrictions

With the easing of Covid restrictions we have been able to relax our guidelines and we can sing! However, because of the current high cases it is important that we continue to be cautious so people feel safe when they come to Church for worship. The guidelines currently in place are:

1. Continue to use **Track and Trace**
2. Continue to use **hand gel** when entering Church
3. Continue to **wear face coverings** when moving around Church and only to remove them when sat down
4. We will be allowed to sing!! To begin with, however, masks should be **worn when singing**
5. Leave **one seat between congregation members** (unless in same family/bubble etc)

Sunday Coffee

A huge thank you to Andrew & Lucy for hosting us in The Meeting Place for Sunday Coffee for the last few months. From Sunday 15th August we'll be resuming coffee at Church, with table service. If you are able to help then please sign up on the rota on the noticeboard.

The Harbour (Junior Church) – Help Needed

We are looking for people to help with the 4 – 9 year-olds in "The Harbour" on Sunday mornings from September. If you are interested in helping once a month or once a fortnight, then please speak to Karen or Julie. Thank you.

Calling all JMA collectors (and their parents)

Please can you finalise your collections and let Nick have your money for counting as soon as possible.

Peasedown Scarecrow Trail – Saturday 28th August to Monday 30th August

This year's Peasedown Scarecrow Trail is on August Bank Holiday Weekend and we are intending to create a scarecrow in the Church car park. If you would like to be involved in creating this scarecrow, then please let either Clare or Julie know.

Advanced Notice – Harvest Supper – Saturday 25th September

More details nearer the time but please put the date in your diary!

Green Tip of the Week

Did you know every short email sent produces about 4g of CO₂? Not much really and a lot less than sending a letter, but every 180 emails is the equivalent of 1 mile driven. So what could you do without too much effort?

Well two suggestions:

1. Do you really need to copy every email to a whole series of people? Just send it to the people who need to know, the rest will be happy not to have another email in their in-box 😊
2. What about all those advertising emails from people you bought something from a long time ago and who keep sending you emails? Simply unsubscribe. You'll make your life a lot easier and there will be 4g less CO₂ used for every email you won't read anyway and now you won't receive 😊

Repair Café

There will be no Repair Café in August, but we hope to run a normal Repair Café in September!

Terracycle Collection – Thursday 26th & Saturday 28th August, 10am – 11.30am

The next collections will be on Thursday 26th & Saturday 28th August, from 10am to 11:30am. Don't forget there are so many things that can be recycled via Terracycle that won't go in your green box:

Crisp and snack packets, pens and felt-tips, inkjet cartridges, oral health products, pet food pouches, bread bags, biscuit and cake wrappers, sweet wrappers and spectacles.

Diary Dates
