### Treasuring Creation Festival – Bath Abbey – 15<sup>th</sup> September until 29<sup>th</sup> October

Bath Abbey is holding a time to mark the season of creation based around Gaia, an art installation in the heart of the Abbey from 15<sup>th</sup> September to 29<sup>th</sup> October. During this time there will numerous events – music, art, prayer, worship – to reflect on God's amazing generosity. On 30<sup>th</sup> September there will be a special day from 10am to 4:30pm to reflect on what we can do in creation care. To find out more go to <u>www.bathabbey.org/gaia</u>

## Quiz Night – Saturday 21<sup>st</sup> October, 7pm

Time to get those braincells working with a fun quiz night, so why not grab some friends and join us. Teams of 6. £5 per person to include a Ploughman's Supper. Please register your team on the noticeboard in the coffee bar so that we can plan for numbers and dietary requirements. We hope to include a raffle, so if you have anything that can be donated as a prize then Nikki or Nick would be pleased to receive it.

All money raised will go towards the funding of child places for the Hill House weekend next year.

### **Green Prayer from A Rocha UK**

Find a spot to sit down. As you look around, take time to view God's creation. What can you see? What can you hear? Use this space to pray for our leaders, both locally and nationally, as they make decisions which affect the natural world. Pray for wisdom and discernment. Pray that they recognise the urgent need to protect and restore nature and put in place policies to safeguard and renew nature on our wild isles.

#### **Green Tip from A Rocha UK**

Green your home this Autumn. Tackle climate change and reduce your heating bill by testing how draughty or leaky your home is. Find the gaps that let the cold air in and warm air out (think keyholes, letterboxes, gaps around the edges or bottoms of windows and doors, loft hatches, floorboards etc.) and fix these gaps using the correct materials (there are lots of handy tutorials on how to do this online). Now is also a very good time to prepare for winter by sticking tinfoil or radiator panels between the wall and radiator, as these will help reflect heat back into your room during the colder months.
