## Repair Café – Saturday 25<sup>th</sup> February, 10am – 1pm

If you have any items that are broken, bring them along to the Repair Café rather than bin them. The repairers will do their best to send you home with a working whatever it is or they'll tell you that sadly it's beyond repair. In the February session we will reach the 500th item seen at the Café and more than 300 items have been repaired since we began three and a half years ago. **Don't bin it if you haven't brought it to the Repair Cafe first.**

**GREEN TIPS**

## First Aid Kit

Please note that the First Aid Kit is now located the kitchen window in a clearly marked, white container.

## Youth Worker Support

Our church-supported village youth workers are holding youth drop-in sessions at The Hive on Mondays, Wednesdays and Fridays from 4pm – 5.30pm and they could do with some support workers. You don't have to be an expert in youth work but if you could just help with doing the refreshments or getting equipment out that would release the youth workers to do the work alongside the young people. If you feel you could offer one session a week/fortnight please talk to Ian Souter.
