Strictly Questions

Please note there will be no Strictly Questions in June.

Messy Church – Friday 10th June, 3.30pm – 5pm

Our next Messy Church is on Friday 10th June from 3.30pm - 5.00pm. There is no need to book, just come along and enjoy exploring what it means to be part of "God's Royal Family".

Hill House Weekend – Friday 8th July to Sunday 10th July

There are still places available for Hill House Weekend and it would be lovely to have as many of our church family there as possible. It is a chance to talk together, relax by the pool, eat great food, discover more about faith and worship together as a family. We share the cooking and washing up, there are special activities for the children and we have a BBQ around the campfire. All ages are welcome and we do not charge for anyone in full time education. There is a choice of accommodation, which includes full board for the whole weekend:

- **En-suite room in the annex, £87 per person**
- **Room with shared bathroom in the main house, £72 per person**

You can pay by instalments, but we would not want the cost to stop anyone from coming so please see Niki to ask about help with this. For more information, please speak to Niki de Silva or Julie Winstanley.

Help the Hive win £1000

£1,000 could make a big difference to the work of the Hive Community Centre in providing community facilities and Youth Work for Peasedown St John. You can help by nominating the Hive in the Movement for Good awards. It's quick and easy to nominate, just visit <https://movementforgood.com/> click 'nominate a charity now' and enter the Hive details (charity number **1154122**). The more nominations they get, the greater their chance of winning, so please spread the word to your friends and family.

GREEN TIPS	Week Commencing Sunday 29th May Why not switch to a greener search engine? Ecosia is a search engine that plants trees with the money it makes from ads. Every time you click on an ad in your search results, you're helping to reforest the Earth.
	Week Commencing Sunday 5th June If you're planting out tubs and hanging baskets to brighten your garden, then why not go for a peat-free compost which will help preserve our precious bogs, fens and wetlands.
